**LinkedIn** [linkedin.com/in/carl-vega](https://linkedin.com/in/carl-vega)

Full Stack Web Developer with a passion for technology. Enjoys keeping up with the latest frameworks and libraries. Quality design is important to me for user experience, style, and code structure. Goal is to join an engineering team that prioritizes creativity and offers opportunities to solve interesting problems.

## TECHNICAL SKILLS

**Front End** React, JavaScript, jQuery, HTML5, CSS3, SASS, Responsive layouts, Bootstrap, Materialize  
**Server Side** Node, Express, Passport, OAUTH, REST, Socket.IO  
**Databases** MySQL, PostgreSQL, MongoDB, Firebase  
**Tools** Postman, Robo 3T, VS Code, Bash, Git, MockFlow, Adobe XD, Adobe Illustrator

## APPLICATIONS BUILT

**Cloverleaf** - [cloverleaf.herokuapp.com](http://cloverleaf.herokuapp.com)

- Real-time chat application with user registration, authentication, and channels for topics
- React, Bootstrap, and Socket.IO on the front end, designed via MockFlow wireframes
- Backed with MongoDB, Node, Express, and Passport

**Package Manager** - [pkg-delivery-mgr.azurewebsites.net](http://pkg-delivery-mgr.azurewebsites.net)

- Package delivery business application for managing packages via a tracking number
- Turned wireframes into a functioning application using Materialize, MySQL, Express, Node

**Rochambeau** - [carl-vega.github.io/RPSSL-Multiplayer](http://carl-vega.github.io/RPSSL-Multiplayer)

- Rock-Paper-Scissors-Spock-Lizard game allows any two anonymous players to throw a gesture and see the winner
- Entirely a front end project utilizing Firebase as a persistence layer

## EDUCATION

**University of North Carolina - Chapel Hill, NC**

*Full Stack Web Development Bootcamp, 2019*

An intensive 24-week-long boot camp dedicated to designing and building web applications.

**Wake Technical Community College, Raleigh, NC**

*Associates of Engineering - only one online class remaining, 2019*

Earned high A grade in programming classes (Java, C++)

## ADDITIONAL EXPERIENCE

### Interpersonal Communication

- Able to work closely with other employees to complete tasks in a productive and accurate manner.
- Afford plenty opportunities to interact with diverse personalities both contrary and supportive.

### Leadership Roles

- Delegated tasks daily with efficient outcomes.
- Able to communicate both positive and negative feedback without incident.
- Take direction with thoughtfulness.

### Organization Standards

- Able to work productively while maintaining a clean and neat environment.
- Created a program for intermittent verification of merchandise.
- Maintained a sanitary work area, specifically with regard to food safety.

**Pharmacy Technician, Walmart ~ 2014**
